Disaster Management

How accountants can assist in times of Crisis.

2021

A white mannequin head is shown from the chest up, wearing a black fabric face mask with black elastic straps. The mannequin's eyes are closed. In the background, a large, soft-focus pink rose is visible. The text "Times of Disaster" is overlaid in the center of the image in a bold, yellow font.

WELCOME TO SAIBA

**#1 Professional body for accountants &
finance executives in Africa**

ABOUT US

We believe in an open-access accounting model.

We believe in an open access model to the accounting profession. This means that with the right exposure, support, affinity, and ability, anyone should be able to become an accountant.

We are a movement that seeks to democratize the profession and ensure access to all accountants irrespective of background or qualifications.

Our Promise. We create opportunities.

We promise to provide you with tools to improve your chances of making it big and provide for your family, whether as junior bookkeeper, accountant, financial manager, financial director or accountant in practice.

"We help you stand a little bit taller, so you get noticed"

WHO WE ARE

A professional body for accountants and finance executives

The background image is a wide-angle aerial photograph of a large informal settlement, likely in Cape Town, South Africa. The settlement is composed of thousands of small, closely packed dwellings with roofs made of corrugated metal. In the distance, the iconic Table Mountain is visible against a hazy, orange-tinted sky, suggesting a sunset or sunrise. A green horizontal band is superimposed over the middle of the image, containing the text 'Thank You'.
