

## Pieter Christiaan de Jager

Pieter de Jager completed his Articles of Clerkship with Ernst & Young in 1998, and obtained his Master in Business Administration from GIBS in 2009. Pieter de Jager has more than 18 years' experience in senior management roles in a number of sectors including engineering, manufacturing, FMCG, transport logistics & warehousing, metals & mining and cement manufacturing. For the past 10 years he has held the position of Chief Financial Officer and Director to the Boards of various multi-national companies, predominantly in the mining and metals sector. He served as executive and non-executive director on the Boards of companies listed directly and indirectly (on subsidiary boards) in South Africa (JSE), Canada (TSX), Australia (ASX) and Tanzania (DSE). He has considerable experience with corporate actions such as mergers & acquisitions, reverse listings, capital fund raising, debt reorganisation, group restructurings & unbundling, feasibility studies and company valuations. He also assisted in setting up governance structures and developing board subcommittees for listed corporates and professional bodies, and he brings a valuable basket of learnings with him.
